May 2021

The city-wide Crusade in Sodo, Ethiopia where many evangelical churches came together to cry out to the Lord for forgiveness and repentance was a huge success. The Lord worked mightily in the hearts of the people as they came together around II Chronicles 7:14: the church came together in an unprecedented way, many hundreds came to Christ, prayers were answered as rain fell for the first time in a year, and the churches were overflowing with those who witnessed the power and presence of our mighty God.

The Gospel being shared in Ethiopia (above) Closing Day of April Crusade between 50-80,000 in attendance (below) Evangelism in the markets outside Sodo.

Many new doors were open for Ebenezer and brother Haile, our Executive Director, as church leaders and government officials all participated in the area wide crusade. Testimonies abounded from pastors of the fruit realized and the spirit of unity resulting from the Sodo meeting. Praise be to the Lord!!

During the April visit plans for expansion at Crosspointe School were put together, and presented to the board of directors at our quarterly

The power of prayer: thousands of Ethiopian believers praying and fasting for a movement from God

meeting in May. They were adopted and phase one has already begun. The construction of four new classrooms to accommodate the new 11th and 12th grades opening in Fall 2021 and 2022, respectively. Our initial estimates are this will be a \$60,000 project, and the Lord has provided \$30,000 of this need as this printing. Please pray with us for God's provision as we continue with this and each of the expansion projects over the coming 5 years. When all is said and done, Lord willing, we will be ministering to over 2700 students and their families.

Plans for new expansion at the school are moving forward as the Lord provides

Continue to pray for the school staff/ teachers as skyrocketing inflation within the country has put quite a burden on the teachers and the administration to try and stretch the payroll to meet increased financial needs. We seek godly, top quality teachers, and ask the Lord for the resources to compensate them on a competitive scale.
